## UPCOMING LIVE AND INVEST OVERSEAS CONFERENCES

Live and Invest Overseas Conferences are the best way to consider the best options for your new life overseas. Our live events introduce you not only to our key overseas experts for each country including attorneys, insurance providers, bankers, real estate professionals, tax advisors, residency consultants, and more, but also to expats and friends who've already launched new lives in the world's top havens...and who can tell you, from firsthand experience, of the advantages and the disadvantages, the pluses and the minuses, the distresses and the delights...and why they've never looked back!

Whether you're considering a new life on the shores of Belize, in Portugal's Algarve region, or in Medellín, Colombia, the City of Eternal Spring...or you're looking to diversify your portfolio with an overseas property purchase or to protect your assets by taking them offshore, we promise you this: Our far-flung global experts have the answers, the experience, the judgment, and the real-world advice you need to make every lifestyle, retirement, and investment dream you have come true.

March, 23-25, 2022 Medellín, Colombia

## Congratulations And Welcome!

---

Dear Live and Invest in Colombia Conference Attendee,

By joining us virtually this week, you've taken a brave and exciting step toward remaking your future.

You've done your part. Now it's our turn.

We're being joined this week by more than 20 friends, experts, expats, colleagues, and professionals from Colombia with, among them, many, many dozens of years of experience doing the very things you're now thinking about doing yourself: living and investing in Colombia.

Here's my promise to you as we set off together on this week's adventure: We're committed to helping you consider your best options for starting a new life in a new place.

No, more than that. We're committed to helping you find the opportunities that make the most sense for you right now in one of the world's most interesting and advantaged destinations.

Don't let us off the hook. Take advantage of us. Pick our brains. Ask every single one of your questions.

The speakers assembled for the event this week are happy to meet with you. That's why we're here.

Is a new life in Colombia right for you?

I don't know. And, right now, you probably don't either. Over the course of the coming three days, let's find out!

I look forward to it.

Here's to your new life... in Colombia!

## Welcome!

Dear Live and Invest in Colombia Conference Attendee,

Welcome to the Live and Invest in Colombia Virtual Conference. We appreciate and look forward to this chance to help you consider your best options for retirement, for starting a new life, for investing, and for doing business in this country.

Here is some important information that will help you to get the most out of the time we're spending together this week:

### **Evaluation Forms**

I'd like to ask that you complete the Evaluation Forms that will be sent to you via email at the end of each conference day as we progress through the program. If you wait until the end of the conference to record your feedback, you may forget important comments. Your feedback is very valuable to us and is much appreciated, as it helps us improve our future programs.

### **Exhibition Hall**

Our Exhibit Hall will be open throughout the conference. This is a good place to interact with any speaker you're interested in talking to one-on-one or with whom you'd like to schedule a private appointment.

Remember, the speakers and staff are at your disposal and happy to spend time with you. Don't be shy. You came with questions. They came to answer them.

**Finally, Very Important**

You'll find me, Alessandra Sandoya, Conference Manager, and our Events Coordinator Assistants, Gloria Contreras and Annette Riquelme, at the Conference Networking Chat throughout the three days of our event. Please don't hesitate to seek us out if you have questions, requests, or comments.

Here's to new ideas, new opportunities, and new friends. I'm looking forward to it!

Sincerely,
